Education

Schulich School of Business, York University — North York, ON
BBA in Marketing & Finance — September 2017 - May 2021

Work Experience

KFC Canada (Yum! Brands) — Toronto, ON
Associate Retail Marketing Manager — December 2025 - Present

- Managing entire Value portfolio including **strategy development of different Value layers** to ensure annual KPI's **exceed targets**
- Managing **relationships with key external stakeholders** such as Franchisees as well as internal **cross-functional teams** (finance, training, operations, & supply chain) to execute Value and Innovation promotional plans with excellence at an internal and restaurant level
- Owning and designing the **go-to-market strategy for cultural partnerships**, such as Hockey and World Cup, to drive brand relevance
- Recognized as a **leading AI adopter**, leveraging AI to automate workflows, improve team efficiency, and enable greater focus on strategic initiatives

Associate Digital Marketing Manager — October 2024 - December 2025

- Reported to the Director of OmniChannel Retail marketing to shape product strategy and roadmap aligned with consumer needs and platform opportunities, while also conducting **post promotional analyses'** to identify opportunities for improvement
- Managed Braze CRM campaigns and automated **customer journeys**, utilizing A/B testing and partnership initiatives to support customer **acquisition**, **retention**, and lifecycle **growth**
- Led cross-functional teams (finance, training, operations, & supply chain) in executing digital & CRM plans to drive acquisition and retention, particularly with 'always-on' digital strategies, increasing **Monthly Active Users by 26%** and growing app **transaction lift by 17%**
- Managed day-to-day partnerships with third party digital platforms (UberEats, Skip, DoorDash), negotiating six-figure value-add funding and optimizing co-marketing to drive **25% YoY growth** in digital sales

Performance Retail Marketing Specialist — January 2023 - October 2024

- Led annual marketing plans across a multi-channel calendar, including managing **Value and Innovation** promotion launches, **Point of Purchase in-store merchandising** plans, **Direct Mail** program and finding cost efficiencies to maximize growth
- Supported quarterly menu board revisions with appropriate **pricing strategies** using consumer insights and competitive analysis to optimize product mix and profitability
- Effectively briefed and partnered with key agency partners, including research partners, creative agencies, print vendors to deliver on successful campaign and product launches

Deloitte Canada — Montreal, QC
Solution Developer - Cyber Security (Risk Advisory) — July 2021 - December 2022

- Implemented security roles and led design learning sessions for clients in projects worth $1M+ in revenue while also conducting security risk assessments for major companies
- Led an internal initiative to report on **ERP** software updates impacting the security team every quarter, saving 100+ consultants along with their clients numerous hours
- Created standard checklists for the entire team to streamline the process of setting up instances for client implementations, resulting in faster initial setup of testing and production environments

Habib Canadian Bank — Toronto, ON
Digital Marketing and Strategy Intern — June 2020 - August 2020

- Analyzed the bank's digital marketing strategy and developed a global strategic plan to achieve brand alignment in 8 countries worldwide and designed social content on financial product offerings as well as for weekly internal employee engagement activities
- Acquired clients for a payment processing partner, resulting in 10% increase in clientele for the company and received personalized certificate from a Member of Parliament for outstanding work with small businesses during the COVID-19 pandemic
